Best Practices-

I Title of the Practice: Generating Environmental awareness through student motivation
The Context: Environmental consciousness is the need of the hour given the approaching dangers of climate change and environmental degradation. Scientist and activities, the world over are working day and night to find out possible methods to fight their menace. We as academicians and parts of the society are also responsible for generation of environmental awareness among our students who are the torch-bearers of tomorrow, the institution has taken up the issue seriously and devised certain practices for environmental protection and awareness. **The Practice:** Following practices are duly performed for the purpose

1. Students and staff have been instructed to switch off the lights and fans when the class-room is not in use.
2. All high wattage bulbs of the college have been replaced by CFLs and LED lights to reduce power consumption.
3. All equipments used are energy efficient with high star value
4. Solar Panels and lights have been ordered to make use of renewable energy
5. Garden based like twigs, leaves and flowers etc are composted and not burnt.
6. Toxic wastes like laboratory chemicals are not mixed with normal wastes.

7. Use of polythene has been minimized.

8. Potted plants have been placed in the corridors to increase green cover.

9. On line and soft copies of documents are used more and more to reduce the use of papers.

10. Old paper waste is recycled and not burnt.

11. Tree plantation drives are conducted each year to increase the green cover of the College. 12. Environmental awareness lectures, programmes and activities are regularly organized by different departments of the college.

Best Practices-

II Title of the Practice: Increasing employability through soft skill development
The Context: In the present times, being qualified is not the only criterion which can lead a student towards a fruitful employment. The employers look for other aspects of personality besides the knowledge and qualification of the employee. In this context it is necessary that the student be proficient over language specially English, proficient in computer skills as well as have certain qualifications give him/her an edge over others.

The Practice: The following practices have been adopted to fulfill these goals for our students:-

1. Regular guest lectures, debates and group discussion on various issues pertaining to society like women empowerment, gender

sensitization, social inclusion, ethics, communal harmony, corruption etc.

2. Regular and mandatory participation in class presentations, public speaking and cultural activities to inculcate confidence.

3. Regular exposure with industry, institutions and establishments relevant to the subject in order to improve the overall thought process of the students.

4. Organization of Remedial Classes and coaching for entry in to services under UGC schemes.

5. Regular conduct of various soft skill courses like personality development, computer skills, foreign languages etc.

6. Regular organization of various seminars, symposia, cultural and sports events for the exposure of the students.
