## Report Program

### 1. Introduction

On 25th August 2018, a presentation on "Computer Hardware and Software Information" was successfully organized by the Department of Computer Science. The aim of the program was to enhance the understanding of students and faculty regarding various aspects of computer hardware and software, focusing on the latest technological advancements and practical applications.

### 2. Objective

The primary objective of the session was to provide participants with:

- Comprehensive knowledge of computer hardware components and their functions
- Insights into essential software for academic and administrative purposes
- Hands-on experience in hardware installation and basic software management
- Awareness of current trends in the field of computer science

### 3. Participants

The session was attended by approximately participants, including students from the Computer Science department, faculty members from various departments, and IT staff of the college.

### 4. Presentation Overview

The presentation was led by a highly experienced professional in the field of information technology. The session covered the following topics:

- Introduction to computer hardware: processors, memory, storage devices, input/output devices, and motherboards
- Software fundamentals: operating systems, productivity software, and programming tools
- A demonstration of hardware assembly and installation
- Latest trends in computing, including cloud computing, cybersecurity, and artificial intelligence
- Best practices for software installation and maintenance

## Rreport Program

### 1. Introduction

The **Cyber Crime Awareness Workshop** was held on **6th December 2018** at Chandrakanti Ramavati Devi Arya Mahila P.G. College, Gorakhpur. The workshop aimed to educate students and faculty on the rising threat of cybercrimes, provide practical knowledge on safeguarding personal information, and promote the importance of cybersecurity in today's digital era. The event was conducted in collaboration with the **Cyber Crime Cell, Gorakhpur Police**.

### 2. Objectives

The primary objectives of the workshop were:

To create awareness about various types of cybercrimes, including hacking, phishing, identity theft, and cyberbullying.

To educate students and faculty on the importance of securing personal information and online presence.

To provide knowledge about the legal aspects of cybercrime and the steps for reporting incidents.

### 3. Participants

The workshop witnessed the participation of **80 students** and **15 faculty members** from various departments of the college. The program was designed to be inclusive, welcoming participants from diverse academic backgrounds, ensuring everyone benefited from the essential cybersecurity knowledge.

## Rreport Program

### 1. Introduction:

A one-day workshop on **Computer Networking** was successfully organized by the Computer Science Department of Chandrakanti Ramavati Devi Arya Mahila P.G. College on **30th January 2018**. The workshop was designed to provide both theoretical knowledge and hands-on experience in the field of computer networking.

### 2. Objective:

The primary objective of the workshop was to enhance the understanding of computer networking concepts, familiarize participants with network topologies and protocols, and provide practical exposure to configuring network devices like routers and switches.

The objectives of the workshop were:

- To introduce participants to the basic concepts of computer networking.
- To familiarize them with network devices and configurations.
- To provide hands-on experience with routers, switches, and network troubleshooting.
- To offer insights into network security and firewalls.
