Grant Sanction for Research and Field Projects from Deals on Day Services Private Limited

This report outlines the details of the Rs. 2,00,000 grant sanctioned by Deals on Day Services Private Limited to Chandrakanti Ramawati Devi Arya Mahila PG College, Gorakhpur. The grant is intended to support research and field projects undertaken by the multiple departments of college. The funding aims to enhance academic research capabilities and practical fieldwork experiences for students and faculty.

Breakdown of Grant Allocation

1. Department of Education:

- **Purpose:** To support research aimed at improving educational methodologies, developing new teaching tools, and addressing contemporary challenges in education.
- **Potential Impact:** Enhances the quality of education and contributes to policy-making and educational reforms.

2. Department of Computer Application:

- **Purpose:** To fund projects related to software development, cyber security, data analysis, and emerging technologies.
- **Potential Impact:** Drives technological advancement and prepares students for the evolving tech landscape.

3. Department of Home Science:

- **Purpose:** To support research in areas such as nutrition, textiles, and family resource management.
- **Potential Impact:** Improves practical knowledge and community welfare, addressing real-world problems in home science.

4. Department of Political Science:

- **Purpose:** To fund studies on political theories, governance models, international relations, and policy analysis.
- **Potential Impact:** Contributes to the understanding of political systems and fosters informed civic engagement.

5. Department of Commerce:

- **Purpose:** To support research in business practices, economics, finance, and entrepreneurship.
- **Potential Impact:** Encourages innovation in business strategies and supports economic development.

Objectives of the Grant

- **Fostering Innovation:** By supporting diverse projects, the grant encourages innovative approaches and solutions within each field.
- **Enhancing Learning:** Provides practical experience and enriches the academic curriculum, bridging the gap between theory and practice.
- **Strengthening Research:** Facilitates comprehensive research endeavors that can lead to significant findings and advancements in various disciplines.
- **Building Capacity:** Empowers students and faculty to engage in high-quality research, enhancing their skills and expertise.

This report examines the impact of India-Pakistan relations on the development, conflicts, and peace processes in the Kashmir region. Given the long-standing and complex nature of the India-Pakistan relationship, this project aims to analyze how diplomatic interactions and geopolitical tensions between the two countries affect the socio-economic and political landscape of Kashmir.

Objectives

- To assess how India-Pakistan relations influence the development initiatives in Kashmir.
- To analyze the impact of bilateral conflicts on the socio-political stability of the region.
- To evaluate the role of India-Pakistan interactions in shaping peace processes and conflict resolution efforts in Kashmir.
-

Graph No. 3.6 shows the decrease of infiltration from 2012 to 2015. After 2015 to 2017 infiltration attempt show hike. After 2017 infiltration attempt decreases. estimated infiltration decreases from 2012 to 2015 and again increases from 2015 to 2018. Infiltrators are the proliferators of terrorism, extremism and quasi violence activities in India and create internal conflict within Kashmir. These terrorists create physical as well as psychological violence in Kashmir and other part of India.

(1.3.2) Cease-Fire Agreement violation by the Pakistan.

Pakistan Rangers and Border Action Team of Pakistan violates cease fire agreement and helps to infiltrate Pakistan sponsored terrorists. Drugs smuggling and other illicit and anti India activities.

Graph No 3.7, Cease-Fire Agreement violation by the Pakistan.
