**Address: New Colony, Dewan Bazar Gorakhpur -273001**

- 1-request the opinions of all the stakeholders needed to sustain the go green campus campaign all year long.
- 2-access the environmental effects of the campus to determine the area that need repair.
- 3-outline a mission statement and the set of guide principles for a green campus.
- 4-launch environmental ethics awareness programs on campus.
- 5-connect the institute academy program to green campus activities.
- 6-plan awareness campaign for society professors and students.
- 7-create yearly schedule for the institute the neighbor hood and stakeholders.
- 8-Conduct an annual green environment and energy audit.
- 9-evaluate daily operations in term of population prevention waste steam management and energy efficiency reducing reusing recycling and repairing whatever possible.

#### **Promotion of "save energy "tips in an outside the institute:**

- Turn off your monitor when you leave your table
- Activate power management features on your laser printer.
- Whenever possible shut down rather than logging of.
- Turn off unnecessary lights and use daylight instead.
- Use laid or compact Fluorescent bulbs.
- Use the fans only when they are needed .

#### **Wastewater management/ rainwater harvesting:**

The institute has to work in the direction of waste water management particularly in students hostel. water flow restricted on bathroom faucets and showers, low water flow Toilets and automated urinal flushers should be used to cut down campus water use .The institute will take all necessary measures to implement vast water management/ rainwater harvesting.

#### **Green campus initiative:**

- ISO certification 9001: 2015 & 14001-2015
