Subject: Microsoft Literacy Awareness Program

Date : 22/09/2021

Dear [Faculty/Students/Staff],

We are pleased to announce the launch of a Microsoft Literacy Awareness Program aimed at enhancing digital skills and familiarizing our community with essential Microsoft Office applications. In today's technology-driven world, proficiency in software tools like Word, Excel, PowerPoint, and others is crucial for academic success and professional development.

Program Objectives:

- To increase awareness of Microsoft Office tools and their applications in education and workplace settings.
- To provide training sessions that will empower participants with essential skills to use Microsoft applications effectively.
- To promote a culture of digital literacy that enhances productivity and creativity.

Program Details:

- **Date:** 23/09/2021
- **Time:** 11:30 AM
- **Venue:** ICT LAB

Report Program

1. Introduction

The Microsoft Literacy Awareness Program was conducted on September 23, 2021, with the goal of enhancing digital literacy among faculty and students. As technology becomes increasingly integral to education and professional environments, this program aimed to provide participants with essential skills in using Microsoft Office applications.

2. Objectives

- To increase awareness and understanding of Microsoft Office tools.
- To provide hands-on training for effective use of applications such as Word, Excel, and PowerPoint.
- To promote digital literacy as a vital skill for academic and career success.

Subject: DBMS Training Program

Date : 24/04/2022

Dear [Faculty/Students/Staff],

We are excited to announce an upcoming training program on **Database Management Systems (DBMS)** designed to enhance your understanding of database concepts and improve your practical skills in managing databases. As data management becomes increasingly crucial in various fields, this training aims to equip participants with essential knowledge and hands-on experience.

Program Objectives:

- To introduce the fundamentals of database management and its applications.
- To provide practical training on popular DBMS software.
- To develop skills in database design, querying, and administration.

Subject: SQL Workshop Announcement

Date : 16/01/2022

Dear [Faculty/Students/Staff],

We are excited to announce an upcoming workshop on **Structured Query Language (SQL)**, designed to enhance your skills in database management and data manipulation. SQL is an essential tool for anyone working with databases, and this workshop aims to equip participants with practical knowledge and hands-on experience in writing and executing SQL queries.

Workshop Objectives:

- To provide a foundational understanding of SQL and its importance in database management.
- To teach participants how to write effective SQL queries for data retrieval, manipulation, and management.
- To offer hands-on experience through practical exercises and real-world examples.

Workshop Details:

Subject: Chaat Presentation Announcement

Date : 22/11/2021

Dear [Faculty/Students/Staff],

We are excited to announce an upcoming **Chaat Presentation** event aimed at celebrating the rich culinary heritage of India through one of its most beloved snacks—chaat! This presentation will not only showcase various types of chaat but also provide insights into their cultural significance and preparation methods.

Event Objectives:

- To promote awareness of traditional Indian snacks and their regional variations.
- To engage participants in learning about the ingredients and techniques used in preparing chaat.
- To foster a sense of community through the appreciation of food and culture.
