### Activities Conducted by Entrepreneurship Cell

The Innovation and Entrepreneurship Program is designed to foster creativity, critical thinking, and business acumen among participants. The program aims to equip individuals with the skills and knowledge needed to develop innovative solutions and successfully launch and manage new ventures.

- The program includes lectures, workshops, interactive sessions, case studies, and hands-on projects. Participants will engage in real-world challenges and receive feedback from experts in the field.
- The program is suitable for aspiring entrepreneurs, business professionals, and individuals interested in innovation and starting their own ventures.
- Participants will gain practical skills in innovation and entrepreneurship, enabling them to develop and launch successful business ventures. They will also build a network of contacts and resources to support their entrepreneurial journey.
- In a bid to stimulate economic growth and foster entrepreneurship in rural communities, the Entrepreneurship Cell has initiated a training program in the adopted village of Gungun Kotha.
