ACTIVITY

WORKSHOP

DATE- 8 NOVEMBER 2021

ORGANISER- MEDHA & PLACEMENT CELL

TOPIC- LEARNING BY DOING IN THIS WORKSHOP ALL STUDENTS ARE ENCOURAGED TO TAKE CHARGE OF THEIR OWN LEARNING BY PARTICIPATING IN CLASSROOM SESSION.

**Learning by
Doing**

• Medha students are encouraged to take charge of their own learning by participating in offline/virtual classroom sessions. Our Career Advancement Bootcamp (CAB) program focuses on experiential learning.

• Experiential learning is learning through participation, and we encourage students to actively engage with learning and collaborate amongst themselves to develop themselves and their skills together.

On 8th November 2021, a workshop titled "**Learning by Doing**" was held, jointly organized by Medha Learning Foundation and the Placement Cell of Chandrakanti Ramawati Devi Arya Mahila PG College, Gorakhpur. The workshop aimed to encourage students to take an active role in their own learning process through interactive and participatory methods.

The workshop was structured to provide an engaging and hands-on learning experience. It included:

a. Interactive Sessions:

Participants were involved in various interactive exercises that emphasized

learning through doing. These activities were designed to make theoretical concepts more tangible and relatable.

b. Group Activities:

Students worked in groups to tackle real-life problems, encouraging collaboration and critical thinking. These group activities were facilitated to simulate real-world challenges and required practical problem-solving skills.

c. Reflection and Discussion:

After each activity, students engaged in reflection sessions where they shared their experiences and insights. This discussion helped in consolidating their learning and understanding the practical applications of the concepts covered.

d. Expert Insights:

Facilitators from Medha Learning Foundation provided expert insights into the importance of experiential learning and shared strategies for effectively implementing these methods in academic and professional settings.

4. Participation and Engagement

The workshop witnessed enthusiastic participation from students across various disciplines. The hands-on approach and interactive nature of the session kept the students engaged and motivated. The feedback received highlighted that students found the workshop valuable in enhancing their practical skills and understanding of subject matter.

5. Outcomes

The workshop successfully met its objectives by:

- Demonstrating the effectiveness of experiential learning in grasping complex concepts.

- Encouraging students to take ownership of their learning and apply theoretical knowledge in practical scenarios.
- Strengthening collaboration and teamwork skills among participants.

Students reported an increased confidence in their ability to tackle real-world problems and expressed a desire for more such interactive learning opportunities in the future.

6. Feedback and Recommendations Feedback collected from participants indicated that the workshop was well-received and appreciated for its practical approach. Suggestions for future workshops included incorporating more diverse case studies and providing additional time for group activities to enhance learning outcomes further.

b. Pre-placement Talks:

Before the recruitment process began, pre-placement talks were held to guide students on how to prepare their resumes, handle interviews, and present themselves professionally.

c. Screening and Interviews:

Students participated in various screening processes, including aptitude tests and technical assessments. Qualified candidates then proceeded to face-to-face interviews with company representatives.

d. Placement Offers:

Following the interview rounds, several students received job offers from participating companies. These offers were extended based on the students' performance during the drive and their alignment with the companies' requirements.

4. Participation and Engagement

The Campus Drive was attended by a large number of students from different departments. The event saw active participation from students, who engaged in the various stages of the recruitment process with enthusiasm. The involvement of multiple companies provided students with a wide range of career options and opportunities.

5. Outcomes

The Campus Drive achieved the following outcomes:

- Successful placement of a significant number of students in various companies, marking a successful outcome of the recruitment process.
- Increased student awareness of the job market and recruitment practices, leading to better preparation for future job searches.

- Strengthened relationships between Medha Learning Foundation, Chandrakanti Ramawati Devi Arya Mahila PG College, and the participating companies, paving the way for future collaboration.

Students reported a high level of satisfaction with the event, appreciating the exposure to real-world recruitment processes and the opportunity to interact with potential employers.

6. Feedback and Recommendations

Feedback from participants highlighted the following areas for improvement:

- Providing more detailed information about each company's job roles and expectations beforehand.
- Offering additional workshops or sessions on resume building and interview skills to further prepare students for similar events.
- Expanding the drive to include more companies and diverse industries to offer a broader range of career opportunities

On 11th may medha and crd successfully conducted an industry visit with Pratham Education Foundation, Guided by Mr. Satendra Dubey working as Cluster Manager in Pratham Goarakhpur. he visit aimed to provide students with practical insights into the working environment of a leading industry, bridging the gap between theoretical knowledge and real-world application.

The industry visit included the following components:

a. Company Tour:

Students were given a guided tour of the company's facilities, including production areas, research and development departments, and administrative offices. This tour offered a comprehensive view of the company's operations and infrastructure.

b. Presentations by Industry Experts:

Key personnel from the company delivered presentations on various aspects of the business, including its history, core operations, and current projects. These presentations provided valuable insights into industry practices and technological advancements.

c. Interactive Q&A Session:

Students had the opportunity to engage in an interactive Q&A session with the company's management and staff. This session allowed students to ask questions about the industry, career opportunities, and the skills required for success in the field.

d. Hands-On Experience:

Where possible, students participated in hands-on activities or demonstrations related to the company's operations. This practical exposure helped students understand the real-world applications of their academic knowledge.

4. Participation and Engagement

The visit was attended by a group of enthusiastic students from various departments. The interactive nature of the visit, including the company tour and Q&A sessions, kept students actively engaged and facilitated meaningful learning experiences.

5. Outcomes

The industry visit achieved the following outcomes:

- **Enhanced Understanding:** Students gained a deeper understanding of industry operations, practices, and career opportunities, which complemented their academic learning.
- **Exposure to Real-World Applications:** The visit provided students with practical insights into how theoretical concepts are applied in a real-world setting.
- **Career Inspiration:** Interaction with industry professionals inspired students and provided clarity on potential career paths and industry expectations.

Feedback from students indicated that the visit was highly beneficial in bridging the gap between academic knowledge and industry practices. The exposure to a real working environment helped students relate their studies to practical applications and enhanced their career readiness.

The orientation program was attended by a diverse group of faculty members from various departments. The interactive nature of the sessions, including workshops and panel discussions, engaged participants actively and encouraged the exchange of ideas and best practices.

5. Outcomes

The Teachers' Orientation Program achieved the following outcomes:

- **Enhanced Teaching Skills:** Faculty members gained new insights into effective teaching methodologies and digital tools, which are expected to enhance their instructional practices.
- **Improved Quality Assurance:** The focus on quality assurance and best practices provided faculty with practical guidelines for maintaining and improving academic standards.
- **Professional Growth:** The program offered valuable resources and strategies for professional development, contributing to the career growth and effectiveness of faculty members.

Feedback from participants indicated that the program was highly beneficial, with many faculty members appreciating the practical advice and interactive sessions. The program was seen as a positive step towards improving teaching quality and professional development.

6. Feedback and Recommendations

Feedback from attendees highlighted the following areas for potential improvement:

- **Follow-Up Sessions:** Organizing follow-up sessions or workshops to review the implementation of new methodologies and practices could further support faculty development.

On 10th February 2023, Chandrakanti Ramawati Devi Arya Mahila PG College organized an open discussion with students on the topic of "**Women Empowerment.**" The session featured Mr. Manish Tripathi, Chapter Head of Medha Learning Foundation, as the guest speaker. The discussion aimed to engage students in meaningful dialogue about women empowerment, explore current challenges, and identify ways to promote gender equality.

The open discussion included the following key elements:

a. Introduction and Opening Remarks:

Mr. Manish Tripathi began the session with an introduction to the concept of women empowerment, explaining its significance in achieving social and economic development. He outlined the goals of the discussion and encouraged students to actively participate.

b. Keynote Address:

Mr. Tripathi delivered a keynote address covering various aspects of women empowerment, including:

- **Historical Context:** The evolution of women's roles and rights over time.
- **Current Challenges:** Issues such as gender discrimination, violence against women, and economic disparities.
- **Empowerment Strategies:** Approaches to empower women through education, economic independence, and legal rights.

c. Interactive Discussion:

The session included an interactive discussion where students shared their perspectives, experiences, and questions regarding women empowerment. Topics discussed included:

- **Role of Education:** The impact of education on empowering women and bridging gender gaps.
- **Societal Attitudes:** How societal attitudes and stereotypes affect women's opportunities and rights.
- **Activism and Advocacy:** Ways in which students can contribute to women empowerment through activism and community engagement.

d. Q&A Session:

A Q&A session allowed students to ask Mr. Tripathi questions related to the topic. This segment provided students with the opportunity to seek advice, clarify doubts, and gain deeper insights into various aspects of women empowerment.

4. Participation and Engagement

The open discussion was attended by a diverse group of students who actively engaged in the dialogue. The interactive nature of the session, including the Q&A segment, facilitated meaningful exchanges and encouraged students to think critically about the issues discussed.

5. Outcomes

The open discussion on women empowerment achieved the following outcomes:

- **Increased Awareness:** Students gained a better understanding of the challenges and strategies related to women empowerment.
- **Active Engagement:** The discussion encouraged students to think about their role in promoting gender equality and empowered them to take action.
- **Actionable Insights:** Students received practical advice on how to contribute to women's rights and empowerment in their communities.
