REPORT OF PROGRAM

1. Introduction

This report aims to assess and recommend ICT tools for CRDPG College to improve educational delivery, streamline administrative processes, and support students and faculty in achieving their academic and professional goals.

2. Current ICT Infrastructure

Hardware:

- **Computers and Laptops:** Check the availability and condition of desktop computers, laptops, and peripherals.
- **Projectors and Smart Boards:** Assess the functionality and distribution of these tools in classrooms.
- **Networking Equipment:** Evaluate the status of routers, switches, and other networking devices.
- **Servers:** Review the servers in use for various applications (e.g., file storage, website hosting).

Software:

- **Operating Systems:** Check for updates and compatibility of the OS on all computers.
- **Educational Software:** List the educational software currently in use (e.g., MATLAB, SPSS).
- **Administrative Software:** Review the administrative tools (e.g., student information systems, financial management software).

3. Recommended ICT Tools

A. Teaching and Learning Tools:

1. Learning Management Systems (LMS):

- **Moodle:** An open-source LMS for course management, assignments, and grading.
- **Canvas:** A cloud-based LMS with features for online course creation and management.

2. Collaborative Tools:

- **Microsoft Teams / Zoom:** For virtual classrooms, meetings, and collaboration.
- **Google Workspace (formerly G Suite):** Includes Google Docs, Sheets, and Drive for real-time collaboration and file storage.
